# Chapter 1 – Ethics

---

90 Minutes

**Slide #4 Ethics**

## **A. Standards of Conduct**

As officers and employees of the Federal Government, we must all conform to high standards of conduct. We are judged not only by our official actions and conduct, but also by our personal activities when they relate to our work for the Government.

Employees, supervisors, and management officials all share the responsibility for ensuring that high standards of ethical conduct are maintained within the Government.

As Government officials, all members assigned to the Coast Guard Housing Program have positions of trust and responsibility that require them to observe the highest ethical standards. Leased Housing Officers (LHOs) and Housing Representatives (HRs) are required to become familiar with the standards of conduct regulations and to exercise judgment to avoid any action that might result in or create the appearance of misconduct or conflict of interest, always maintain the highest ethical standards by refraining from any action others might interpret as a partial or complete conflict of interest, and conduct yourself professionally beyond reproach.

All Federal employees should read and understand the requirements of 5 CFR Part 2635, which sets forth the standards of ethical conduct for personal behavior. It is absolutely vital that you understand serious violations.

## **B. Rule of thumb**

Conduct yourself so you would willingly make a full public disclosure of your actions. If you question your own best judgment, seek assistance. District and MLC legal offices provide legal assistance to all members assigned to the Housing Program. Severe punishment and penalties may be imposed on individuals who do not observe high ethical standards and conduct in all official actions.

### C. Agency Ethics Official

1-1

Each agency has a designated agency ethics official who, on behalf of the agency, is responsible for coordinating and managing the agency's ethics program. One or more alternate agency ethics officials may assist the agency ethics official. These officials are responsible for advising employees on the rules of ethics, and may be responsible for reviewing requests for approval of outside employment, and for reviewing and maintaining confidential statements of employment and financial interest. Employees should consult the designated agency ethics official if questions arise about the propriety of a proposed action. The Office of Government Ethics advises, "Don't be caught explaining what you did; explain what you propose to do." Some of the rules that particularly apply to procurement activities are summarized in the following paragraphs below.

#### Slide #5 Ethics for All Government Employees

### D. Ethics for all Government Employees

You must avoid any action, which might result in, or create the appearance of:

- ❑ Using public office for private gain.
- ❑ Giving preferential treatment to any person;
- ❑ Impeding Government efficiency or economy;
- ❑ Losing complete independence or impartiality;
- ❑ Making Government decision outside official channels;
- ❑ Disclosure of proprietary or source selection information to unauthorized sources.

?

**Question:** *Ask the students if they can think of examples for the above paragraph that relate to the housing program.*

##### **3. Availability of Government Owned Quarters.**

Assign eligible personnel to available adequate Coast Guard-or DOD-owned quarters (family and UPH/Barracks facilities) before considering for Coast Guard-leased housing. All requests for leased quarters must include the statement, "No government-owned quarters are available at this time." Leased Housing Contracting Officers (LHCO) shall not sign lease contracts without including this statement and verifying its accuracy.

### **A. Documentation**

#### 1. Authorized Document.

The U. S. Coast Guard Residential Lease (CG-5571) together with U. S. Coast Guard Residential Lease - General Provisions (CG-5571A) shall form the official document to be used in the leasing of residential housing pursuant to the authorities authorized by 14 U.S.S. 475(a).

#### 2. Why does the Coast Guard have their own lease?

The Office of Chief Counsel, U. S. Coast Guard by memorandum dated 21 July 1992 issued a legal opinion that:

- Coast Guard leased housing regulations are distinct from GSAR (General Service Administration Regulations).
- GSA's leasing forms are not binding on the Coast Guard's leased housing program.
- The Coast Guard Housing Program Division should prescribe standard leased housing clauses.

Additionally, Office of Chief Counsel, U. S. Coast Guard by memorandum 11011 dated 24 March 1993 issued a legal opinion that FAR (Federal Acquisition Regulations) do not apply to "real property in being" and directed development of a standard housing lease for Coast Guard wide use.

### 3. Standard Forms.

- a. **CG Form 5571:** The CG-5571 is to be individually prepared to accommodate specific Information pertaining to Lessor, costs, addresses, etc. Photocopies will be made of the executed original. The CG-5571 is to be generated using HMIS Web. Alternate generation of the form (Word) is not authorized except in the event of emergencies, ie., natural disasters.

## C. General Provisions

### UNITED STATES COAST GUARD RESIDENTIAL LEASE GENERAL PROVISIONS

- SUBLETTING:** The Coast Guard may sublet any part of the premises but shall not be relieved from any obligation under this lease by reason of any such subletting.
- DEPOSITS:** This lease is the only financial agreement covering the premises and no effect shall be given to any agreement between the Lessor and the Coast Guard tenant occupying the premises. No deposit is now held nor required. Any deposit held by the lessor under terms or conditions of a previous arrangement with the Coast Guard occupant shall be returned no later than the effective date of this lease.
- MAINTENANCE:** Except for damage caused by the abuse or neglect of occupants or their guests, the Lessor shall maintain the premises, including the building and any and all equipment, fixtures, security services and appurtenances furnished by the Lessor under this lease in good repair and tenable condition. The Lessor shall accomplish routine interior painting, necessary recarpeting, and other similar replacement and repair not less than once every three years of Coast Guard occupancy under this lease. The Lessor may at reasonable times, and with the permission of the authorized Coast Guard representative, enter and inspect the premises and make any repairs necessary. The Lessor is not responsible for replacement of light bulbs and fuses.
- FAILURE IN:  
PERFORMANCE:** Rent payments are dependent upon the Lessor performing functions required by this lease. If the Lessor fails to provide any service, utility, maintenance, required environmental or safety modifications or repairs required by this lease, the Coast Guard may contract for or perform the services, and deduct the cost of performing the services from the rent payment. As an alternative, the Coast Guard may reduce the rent payment by the value of the service not performed (as determined by the Coast Guard Leased Housing Contracting Officer).
- If the Lessor's failure to perform causes the Coast Guard occupant to be temporarily housed elsewhere because of untenable conditions, the Lessor shall be responsible for any reasonable expenses incurred for such temporary housing.
- An untenable or unsafe condition not repaired and/or restored or good faith attempts to repair/restore to tenable condition within twenty-four (24) hours after Lessor notification by the occupant and/or Coast Guard shall be deemed failure in performance by the Lessor. Other repairs and/or restorations shall be performed by the Lessor with diligence and within a reasonable period of time as determined by the Coast Guard Leased Housing Contracting Officer.
- TERMINATION  
FOR DEFAULT:** If the premises are not ready for occupancy on the date this lease is to commence the Coast Guard may, with written notice to the Lessor, terminate this lease. The Lessor will be liable for any damages to the Coast Guard resulting from the Lessor's failure to have the premises ready for occupancy on the date agreed whether this lease is terminated or not.
- Failure by the lessor to maintain the premises in tenable condition may result in immediate termination as determined by the Coast Guard Leased Housing Contracting Officer.
- FIRE OR OTHER  
CASUALTY:** If the premises are destroyed by fire or by other casualty, this lease will immediately terminate. If the premises are partially destroyed so that they are untenable (as determined by the Coast Guard Leased Housing Contracting Officer) the Coast Guard may terminate this lease by giving the Lessor written notice within 15 days after the partial destruction. If this lease is terminated in this way, no rent will accrue after the partial destruction. As an alternative, the Coast Guard may choose to continue to occupy the premises at a reduced rent, agreed to by the Lessor and effective the date of the partial destruction.

In the event of such noncompliance, the Coast Guard may take appropriate action to enforce compliance, may terminate this lease, or may pursue such other remedies as may be provided by law. In the event of termination, the Lessor shall be liable for all excess costs of the Coast Guard in acquiring substitute housing, including but not limited to the cost of moving to such housing. ### UNITED STATES COAST GUARD RESIDENTIAL LEASE GENERAL PROVISIONS

---

#### **CLAIMS AND DISPUTES:**

The Coast Guard will reimburse the Lessor, upon submission of a just and documented claim, for damages beyond the normal wear and tear which may be caused by the Coast Guard occupant through neglect or abuse. Damage liability is specifically limited to those items damaged by abuse or negligence of the occupant and his or her dependents and guests.

a. This contract is subject to the Contract Disputes Act of 1978, as amended (41 U.S.C. 601-613), provided herein:

a.1. The Lessor must deliver any claim to the Coast Guard not later than sixty (60) calendar days after lease termination.

a.2. The Claim must:

(a) be in writing,

(b) state a total claim amount (sum certain),

(c) identify individual damage/claim items,

(d) be supported with receipts or estimates as follows:

\* if the item is less than \$200, one receipt or estimate.

\* if the item is \$200 or more, two estimates.

(e) contain a signature as explained below.

b. Except as provided in the Act and the above, all disputes arising under or relating to this contract shall be resolved under this clause.

c. "Claim," as used in the clause, means a written demand or written assertion by one of the contracting parties seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to this contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant. However, a written demand or written assertion by the Contractor seeking the payment of money exceeding \$100,000 is not a claim under the Act until certified as required by subparagraph d.2. below. A voucher, invoice, or other routine request for payment that is not in dispute when submitted is not a claim under the Act. The submission may be converted to a claim under the Act, by complying with the submission and certification requirements of this clause, if it is disputed either as to liability or amount or is not acted upon in a reasonable time.

d.1. A claim by the Contractor shall be made in writing and submitted to the Coast Guard Leased Housing Contracting Officer for written decision. A claim by the Coast Guard against the Contractor shall be subject to a written decision by the Coast Guard Leased Housing Contracting Officer.

d.2. For Contractor claims exceeding \$100,000, the Contractor shall submit with the claim a certification that:

(i) The claim is made in good faith;

(ii) Supporting data are accurate and complete to the best of the Contractor's knowledge and belief; and

(iii) The amount requested accurately reflects the contract adjustment for which the Contractor believes the Coast Guard is liable.

## B. Bedroom Requirements

**Slide #36  
Bedroom  
Requirements**

**Handout #4:** Pass out and review.

### 1. Family Leased Housing (FLH).

The bedroom requirements for a member with dependents is based on the members family size in accordance with the table provided in handout #4.

### 2. Unaccompanied Personnel Leased Housing (UPLH):

Eligible members may live only in multiple-occupancy units. Each person must have a separate bedroom. Unless unavailable or not cost-effective, all UPLH leases will be three-bedroom units.

**Slide #37  
Eligibility**

**Handout #5:** Pass out and review.

## C. Eligibility for the Leased Housing Program

### 1. FLH.

Eligibility for the FLH program takes into account the members pay grade and bedroom requirements utilizing the Universal Eligibility Matrix. In addition, the total housing cost must exceed a member's total housing allowance to qualify for the FLH Program.

---

## C. Eligibility for the Leased Housing Program (cont'd)

### 2. UPLH

The tables below provide the eligibility requirements for UPLH.

#### **Members Assigned Ashore**

Except for unaccompanied members living in UPH/Barracks, unaccompanied members assigned ashore should primarily live in community-based housing utilizing their housing allowances provided all owned UPH/Barracks are occupied at 98%. MLC may approve individual waivers to assign unaccompanied members assigned ashore on a case by case basis.

#### **Members Assigned Afloat**

Unaccompanied members in pay grades E-5 and above should live in community-based housing with their housing allowance if not assigned to UPH/Barracks facilities. E-4's assigned afloat shall have the option to elect to receive their housing allowances and live in community-based housing or be assigned to the UPLH/UPH/Barracks, provided the local UPH/Barracks occupancy rate equals or exceeds 98%. Make UPLH assignments for afloat E-4 and below members only if they cannot be berthed in UPH/Barracks facilities in accordance with Sections 9.B.6 and 9.C.3 of the Housing Manual.

**Slide #38**

### 3 Members Married to Members.

Members married to members are eligible for FLH provided both are assigned within a one hour round trip commuting distance of a common residence and the total housing cost for the leasing area exceeds their combined total housing allowance. For members not assigned within a one hour round trip commute of a common residence, treat each member as a separate, single individual in determining leased housing eligibility. An AHA may never acquire two family leases for the same family.

---

## C. Eligibility for the Leased Housing Program (cont'd)

### 4. Transfers.

Personnel transferred within a leasing area may continue to occupy their assigned leased quarters provided they still are eligible for the program.

### 5. Overseas.

Accompanied and unaccompanied members assigned overseas and entitled to Overseas Housing Allowance (OHA) are not entitled to leased housing.

### 6. Restricted Duty.

Personnel occupying FLH quarters ordered to restricted duty may continue to occupy leased quarters and their dependents may occupy such quarters for the duration of the restricted duty tour. In addition, an AHA may assign FLH quarters to dependents of any eligible member (E-2 and above) with orders to isolated, dependent-restricted duty provided the member is eligible for FLH where he or she requests assignment.

### 7. Voluntary Geographic Bachelor.

Voluntarily geographic bachelors are not eligible for leased housing and may not occupy it under any circumstances.

### 8. Involuntary Geographic Bachelor.

Assignment of involuntary geographic bachelors to UPLH requires written authorization from Commandant (G-WPM-4) thru the MLC.

**Slide #39**

### 9. Previously Utilized Leased Quarters.

Do not authorize members who voluntarily move out of leased housing to reenter the Leased Housing Program while they remain assigned to the same leasing area.

---

#### 10. Refusal to Occupy Owned Quarters.

If a prospective occupant refuses to move to available government-owned quarters, they are not eligible for Coast Guard-leased housing for the duration of their PCS tour.

If a Coast Guard-leased quarters occupant refuses to move to available government-owned quarters, immediately provide notice and the assigning authority will terminate the lease in 30 days.

#### 11. Change in Eligibility.

In most cases if leased housing occupants become ineligible for leased quarters, allow them to remain until they complete a normal tour, including extensions, as defined in the Personnel Manual. If they are separating or divorcing; see Section 6.D.2.c. Do not allow ineligible members to continue to occupy leased quarters once they complete a tour, as extended, even if reassigned within the same geographic area. Members with hardships may request an individual exemption that must be approved by MLC.

##### a. **Options:**

- Remain in the leased quarters if authorized an individual hardship exemption.
- Remain in the quarters on a private rental basis.
- Locate other acceptable private quarters.

**Slide #40**  
**Waiting List**

#### **D. Waiting List**

##### 1. LHO and HR Responsibility.

It is not always possible to immediately provide leased housing to eligible members when needed for many reasons such as budget restrictions, the availability of adequate housing units, and others.

When an arriving member qualifies but for whatever reason cannot be assigned to a leased housing unit, the LHO or HR must establish a leased housing waiting list.

It is the responsibility of the LHO and HR to establish and maintain a leased housing waiting list.

---

## 2. Control Date

a. **INCONUS**: Date application received; or, if received more than 35 days before the applicant's estimated arrival date, the 35<sup>th</sup> day before the estimated arrival date.

b. **OUTCONUS**. As the AHO determines.

## 2. Procedures

Place members on the leased housing waiting list in chronological order by control date and assign members to leased housing units from the top.

**Slide #41**  
**Replying to**  
**Applicants**

## E. **Replying to Applicants**

### 1. Keep the Member Informed

Replying to applicants is one of the last steps to perform when processing housing application packages. A prompt reply stating the status of housing availability allows members to better plan and coordinate their moves.

LHOs and HRs are required to reply to applicants within five working days utilizing DD Form 1747, *Status of Housing Availability*.

### 2. Procedures

Perform the below steps to reply to applicants:

Step	Action
1	Send DD Form 1747 to applicant.
2	Note date mailed on a copy of DD Form 1747 and file together with the application package in a pending lease folder, if member is eligible, or in the housing general files, if member is not eligible.

## Chapter 6 – Negotiating a Lease

---

**3 Hours**

**Slide #42  
Negotiating a Lease**

**Slide #43  
Explaining the Lease**

### **A. Explaining the Lease**

#### **1. Selling the Lease.**

Before you can explain a lease to a potential Lessor you must first get through the door. It's important that you discuss the Coast Guard Leased Housing Program so the Lessor clearly understands the many advantages of establishing a lease with the Coast Guard.

#### **2. Mandatory Direct Deposit.**

Direct Deposit rent payments to a Lessor is mandatory. Use the *EFT/ACH Vendor Payment Enrollment Form*, available from the following FINCEN internet web site:

<http://www.fincen.uscg.mil/vendor1.htm>

An *EFT/ACH Vendor Payment Enrollment Form* can also be obtained from an AHO and may be locally reproduced.

The Lessor's completed *EFT/ACH Vendor Payment Enrollment Form* becomes part of the lease request package submitted to the LHCO in accordance with Section 4-D. Never mail this form to the FINCEN independently of the contract package.

#### **3. Perceived Disadvantages.**

It's important that **you** fully understand the Coast Guard Leased Housing program so you can remain focused and be prepared to present positive counter-arguments to Lessors' perceived disadvantages of a Coast Guard lease. The table on the next page provides some of the most common questions and a correct response and the Step/Action Chart on the following pages provide guidance for explaining a Lease.

**Question:** Ask the students what they consider to be their perceived disadvantages.

**Write Information:** Write down the information on a board or chart.

**Handout #6 and #7.:** Pass out the handout to the students.

**Note**

- The second part of handout #7 will be discussed in the next section.

---

A. Explaining the Lease (cont'd)

<b>Perceived Disadvantage</b>	<b>Counter-Argument</b>
<b>Coast Guard doesn't pay security deposit.</b>	Not needed because the U.S. Government is self-insured and pays all damages beyond normal wear and tear.
<b>Payment is 30 days in arrears.</b>	By law, the Federal Government can pay for services only after they have been rendered. Small sacrifice for so many advantages.
<b>Five-year lease sticks Lessor with same rent.</b>	Rent is re-negotiated annually.
<b>Lessors can't give 30-day termination notice like the Government.</b>	Due to the nature of Coast Guard service, we must relocate members more often than we would like. The 30-day notice allows the Lessor to put the property back on the market. The Coast Guard makes every effort to place another eligible family in the leased unit.
<b>Lessor pays utilities.</b>	Military compensation laws do not allow members in leased housing units to receive a portion of their housing allowance for utility costs. Additionally, utility costs may be renegotiated and adjusted and one-time utility reimbursements may be authorized so Lessor does not pay out-of-pocket costs.
<b>No separate tenant-landlord agreements allowed.</b>	The Coast Guard lease, the General Provisions, and the Condition Inspection Report forms are the only binding agreements between the Coast Guard and the Lessor.
<b>Lessors can't pick tenants.</b>	The Coast Guard will place any members in leased units, if eligible. Lease contract section 2.c. and the General Provisions specifically state the Lessor will not discriminate against any Coast Guard member.
<b>Lessor pays for smoke detectors.</b>	The Coast Guard is required to lease only units outfitted with hard-wired smoke detectors with battery back-up. They are inexpensive to purchase and install, may result in reduced insurance premiums, and may be tax deductible. They protect the unit and occupants at a very low cost.
<b>Rent paid by Direct Deposit.</b>	The Coast Guard pays by Direct Deposit so Lessor doesn't wait for check to arrive each month. Furthermore, money generally is received more efficiently; if not received for any reason, can promptly be traced and replaced, if necessary.

---

**A. Explaining the Lease (cont'd)**

**Procedures.** Perform these steps to explain the lease to the Lessor.

Step	Action
1	<p>Provide blank copies of the following forms and review with potential Lessor:</p> <ul style="list-style-type: none"><li>❑ CG-5571, United States Coast Guard Residential Lease</li><li>❑ CG-5571A, United States Coast Guard Residential Lease General Provisions</li><li>❑ Condition Inspection Report</li></ul>
2	<p>Emphasize these advantages of a Coast Guard lease:</p> <ul style="list-style-type: none"><li>❑ Guaranteed monthly rent Direct-Deposited into bank account</li><li>❑ Government pays for damage beyond normal wear and tear</li><li>❑ Lease is effective for up to five years</li><li>❑ Contract renewal clause expedites renewal process</li><li>❑ Rental rate can be renegotiated annually</li><li>❑ Under-estimated utility costs can be adjusted and/or one-time utility reimbursement may be authorized.</li><li>❑ Excellent, responsible CG tenants will live in the unit.</li><li>❑ Coast Guard will periodically inspect to ensure the unit remains in good condition</li></ul>
3	<p>Answer all Lessor's questions and, if necessary, contact the LHO or AHO, as appropriate, for help with questions.</p>

## B. Negotiating Rent

### Slide #44 Negotiating Rent

#### 1. Responsibility.

Negotiate cost-effective rental payments with Lessors while staying within established funding limits. Remember, careful, effective rental cost negotiation is essential for the Coast Guard to obtain cost-effective leased housing units and is critical to the Leased Housing Program's overall success.

#### 2. Local Rental Cost.

Before beginning negotiating rent with Lessors, obtain the cost for similar local units in accordance with Section 1-C of the Coast Guard Lease Housing Procedural Guide.

#### 3. Procedures.

Perform the following steps to negotiate cost-effective rent and utilities payments:

Step	Action						
1	Obtain past utility costs (except telephone and cable television) for the unit from the Lessor or utility companies to determine a monthly average.						
2	Obtain the lowest possible rental cost from Lessor.  <b>Note:</b> Don't suggest the rental amount, the Lessor should request or reveal funding level restrictions.						
3	Either accept or reject Lessor's offer. <table border="1"> <tr> <th>IF Lessor's offer is...</th><th>THEN...</th></tr> <tr> <td>Accepted</td><td>Proceed with lease unit information-by filling out the Lease Unit Information Worksheet.</td></tr> <tr> <td>Not accepted</td><td>               Explain reason(s) you cannot accept the unit.   <b>Note:</b> Do not reveal AHO cost limitations or other Lessors' rental amounts.             </td></tr> </table>	IF Lessor's offer is...	THEN...	Accepted	Proceed with lease unit information-by filling out the Lease Unit Information Worksheet.	Not accepted	Explain reason(s) you cannot accept the unit.  <b>Note:</b> Do not reveal AHO cost limitations or other Lessors' rental amounts.
IF Lessor's offer is...	THEN...						
Accepted	Proceed with lease unit information-by filling out the Lease Unit Information Worksheet.						
Not accepted	Explain reason(s) you cannot accept the unit.  <b>Note:</b> Do not reveal AHO cost limitations or other Lessors' rental amounts.						

## Slide #45 Lease Info Worksheet

6-3

### C. Completing a Lease Unit Information Worksheet

#### 1. Responsibility.

A Lease Unit Information Worksheet is required to capture mandatory information to expedite the lease contracting process.

#### 2. Minimum contents.

At a minimum, a Lease Unit Information Worksheet should contain:

- A requirement to complete necessary HMIS data entries
- “No Government-owned quarters are available at this time” statement
- LHO or HR signature block

**Note:** *Lease Unit Information Worksheets are mandatory. The LHO or HR must complete and sign the statement above about of Government-owned quarters’ non-availability. The LHO or HR sends it as part of the lease request package submitted in accordance with Section 4-D of the CG Leased Housing Procedural Guide.*

#### 3. Procedures.

Perform these following steps when completing a Lease Unit Information Worksheet:

Step	Action
1	Completely fill out the worksheet (self-explanatory).
2	Distribute as follows: <ul style="list-style-type: none"><li>• Original to LHCO with lease request package.</li><li>• File copy in LHO/HR lease folder.</li></ul>

**Slide #46**  
**Submitting a**  
**Package**

### 1. Responsibility.

The LHO or HR is required to submit a completed lease package to the LHCO. The LHCO is the only person who can complete and approve a lease contract in accordance with Section 5-A of the Coast Guard Leased Housing Procedural Guide.

**Note 1:** *A Coast Guard lease is not final until the LHCO approves and signs the lease contract.*

**Note 2:** *Never allow prospective tenants to move into a leased housing unit before the LHCO approves and signs a lease contract.*

---

## D. Submitting a Lease Request Package

### 2. Supporting Documents.

Use this table to determine required supporting documentation for the lease package:

IF owner is...	AND...	THEN submit copy of...
Private	Acting on own behalf	<ul style="list-style-type: none"><li>• Property deed</li></ul>
	Real estate agent will manage property	<ul style="list-style-type: none"><li>• Property deed</li><li>• Management agreement</li></ul>

## Chapter 7 – Management

	<b>3 Hours</b>
	<b>Slide #47 Management</b>
	<b>Slide #48 Lease Folders</b>

### A. Creating and Maintaining Lease Folders

#### 1. Responsibility.

Creating and maintaining leased housing folders properly is essential to successfully managing the Leased Housing Program. Lease folders organize documents systematically and make them easily retrievable. Both the AHO and LHO/HR are required to maintain lease folders for each leased housing unit. All lease files shall be maintained in a secure locked location not accessible to the public due to the sensitive nature. Any request for information contained in a leased folder shall be referred to the Freedom of Information Act (FOIA) Officer.

#### 2. Folder Retention and Dissemination.

- a. **AHO:** Retain folders for six years after the lease cancellation date, then destroy
- b. **LHO:** Retain folders a maximum of one year after the lease cancellation date; then send to AHO.
- b. **HR:** Send folders to LHO on lease cancellation if it is anticipated the lease will not be needed.

---

### 3. Folder Contents.

At a minimum, lease folders will contain the following documentation:

#### a. **AHO Lease Folders.**

## Slide #49 Inspections

### B. Inspections

#### 1. Requirements.

LHOs and HRs are required to schedule and conduct inspections of all Coast Guard owned and leased quarters. Quality inspections help reduce vacancies days and future maintenance cost. Pre-inspections and periodic inspections of Government-leased quarters are important:

- to maintain quarters in sound condition for Coast Guard members,
- to minimize damage by checking for structural flaws,
- to monitor proper maintenance so quarters are clean and adequate for occupancy,
- to ensure the quarters and their immediate surroundings do not contain unsafe conditions.

#### 2. Inspection Types.

The following table provides a description of required leased housing inspections.

Type	Description
<b>Pre-Lease Condition Inspection</b>	<b>A Pre-Lease condition inspection ensures the prospective quarters meet minimum adequacy standards, are safe, and in good condition. It should consist of a thorough walk-through of the unit, common areas, grounds, and surroundings and be very detailed. Pre-Lease condition inspections become part of the lease contract.</b>

---

**B. Inspection Types.** (cont'd)

Type	Description
<b>Check-In</b>	The Coast Guard member and inspector are responsible to properly identify and record the quarters' actual condition at check-in on the inspection report. Note even the slightest discrepancy (e.g., a cut on a countertop) on the check-in form because subsequently the member may be held liable. Allow tenants 10 working days from the check-in inspection date to submit a written list of supplemental discrepancies to the LHO or HR.
<b>Annual</b>	Annual inspections help to minimize damages and are used to check structural integrity, monitor proper maintenance, and ensure quarters' cleanliness.
<b>Pre-Termination</b>	Pre-Termination inspections are performed to brief members on their responsibilities to clean quarters before the final check-out inspection. In addition, the inspector will check for damage beyond normal wear and tear. This inspection usually is conducted while the occupant's furniture is still in the unit at least 30 days before occupancy terminates.
<b>Check-Out</b>	A check-out inspection, also called a final inspection, must be completed not later than the lease termination date or the current tenant's final day of occupation. All discrepancies noted at pre-termination inspection should have been corrected and quarters should be clean and ready for the next occupants. All personal furniture and items must be removed from quarters before inspection. The Coast Guard member may elect to pay the Lessor for minor damage found during final inspection. Payment must be made before the final inspection report is signed.
<b>For Cause</b>	If abuse, unsanitary, or unsafe conditions exist, an inspection for cause is conducted. As a general rule, the member and Lessor are present and a representative from the member's command should always attend. An inspection for cause also may include complaints against the Lessor and may document a Lessor's non-compliance with lease contract terms.

---

## B. Inspections (cont'd)

### 3. Re-inspections.

Re-inspections are performed if damage beyond normal wear and tear is found or if unsafe or unsanitary conditions exist. Tenants (or the Lessor) should be allowed 10 working days from the date the discrepancies were found to complete required repairs.

**Slide #50**

### 4. Conducting Inspections.

- Conduct inspections in a courteous consistent manner.
- Inspections shall be conducted without regards to rank or rate of the occupant.
- Members must turn over leased quarters and immediate premises in a clean, orderly condition suitable for immediate reassignment.
- Members who utilize a commercial company or hire a friend to clean the quarters are still responsible for the quarters if left in an unsatisfactory condition.
- The housing authority may refer charges to the vacating member for cleaning and/or damages, unless they propose a satisfactory solution. In addition to charges for damages, charges for cleaning quarters may be deducted from members' pay.
- Give the occupant the opportunity to fix a discrepancy.

**Slide #51**

---

**B. Inspections** (cont'd)**5. Scheduling Inspections and Required Participants.**

Schedule inspections as far in advance as possible and ensure required participants are present. Consolidate different types of inspections to limit intrusions. Avoid scheduling inspections on Fridays, especially check-out inspections. Use the Table below to discuss required participants for leased housing inspections.

Type	Required Participants
<b>Pre-Lease</b>	<ul style="list-style-type: none"><li>• LHO or HR</li><li>• Lessor or agent</li><li>• Potential Occupant(s), if available</li></ul>

## B. Inspections (cont'd)

**Slide #52**

### 6. Documenting Unit's Condition.

Thoroughly and accurately documenting the unit's condition on an inspection report provides the means to hold an occupant accountable for damage beyond normal wear and tear and protect the occupant and Government against a Lessor's false claim of damage.

Inspectors should be as thorough as possible to accurately record the condition of the unit. When documenting the property condition, avoid general statements such as "satisfactory", "looks good", or "OK." Be as specific as possible.

Equally important is having the required participants sign the report to show all parties agree about the quarters' true condition on a given date.

### 7. Inspection Reports.

a. **Pre Lease Condition.** Generally, there are two types of inspection reports. The Pre-Lease Condition Inspection Report, which is very comprehensive and at a minimum should contain the following:

- columns to rate condition of each room and item
- space to mark items' type and age, e.g., floor coverings, appliances, etc.
- remarks pages to note discrepancies
- spaces to inventory appliances
- page numbers on each page, (e.g., Page 1 of 18)
- place to note inspection date
- signature blocks for required inspection participants (LHO/HR and Lessor).

---

## 7. Inspection Reports. (cont'd)

b. **Other Inspections.** The other inspection report, usually no more than two or three pages, is used for all inspections except for Pre-Lease inspections. A new report should be prepared for each type of inspection. This inspection report should, at a minimum, contain:

- signature blocks for required inspection participants
- a place to note inspection type, date, occupant's name, and lease number
- a column to note discrepancies
- page number on each page, e.g., Page 1 of 3

**Note:** *Prepare reports in writing with blue ink.*

**Slide #53**

## 8. Procedures for Inspecting Quarters.

Review the following steps when inspecting leases quarters. Remember, ***HMIS data entries are required for all inspections.***

Step	Action
1	Determine inspection type needed.
2	Schedule and notify participants in writing.
3	Perform inspection and record on appropriate inspection report.
4	Obtain required inspection participants' signatures on the inspection report.
5	Follow up on discrepancies noted and re-inspect as necessary.
6	Distribute reports as follows: <ul style="list-style-type: none"><li>• Original to AHO</li><li>• Copies to LHO or HR and all required participants</li></ul>

---

## B. Inspections (cont'd)

### 9. Discovering Damage.

Damages are usually discovered during regularly scheduled inspections. Hold members responsible for the care of their assigned quarters. The old adage “If you break it, you buy it” applies. Damages resulting from abuse or negligence require members to repair, replace, or pay the Lessor for the damaged items. Processing damage claims will be explained in detail later during this course.

**Slide #54**  
**Occupying Quarters**

## C. Occupying Quarters

### 1. Responsibility.

Of all the procedures involved in leased housing, occupancy is of the most importance. Assign members to leased housing only after locating an adequate housing unit and the LHCO has approved and signed the lease contract. Under no circumstances is assignment to the unit allowed before conducting a check-in inspection.

### 2. Length of Occupancy.

Occupancy of assigned leased housing normally is allowed for the duration of the member's tour. However, extenuating circumstances, such as the availability of Government-owned housing, changes to eligibility status, budget reductions, misconduct, excessive utility consumption, etc., could necessitate early termination.

### 3. Tenant Occupancy Instruction.

Tenant Occupancy Instructions provide necessary critical leased housing information. It is required that you provide all members a copy of the instructions at check-in and the member must sign a receipt that they received the instruction. At a minimum, Tenant Occupancy Instructions must contain:

- A signature block to acknowledge receipt
- A statement the tenant has read and will comply with the Tenant Occupancy Instruction

---

### 3. Tenant Occupancy Instruction. (cont'd)

- A prohibition against using the premises for illegal purposes
- A prohibition against storing anything constituting a fire hazard in or on the premises
- The tenants must restore quarters to their initial leased condition, less wear and tear, on vacating
- The tenant(s) shall be held personally liable for property loss or damage caused by property negligence or abuse
- Tenants are required to provide a 45 day notice prior to vacating
- Utility conservation information
- Pet policy and liability understanding
- Requirement to abide by the Lessor's or complex's rules and regulations
- Visitation policy
- Quarters modification policy
- Inspection information
- In-home child care policy
- Weapons policy
- Subletting policy
- Recommendation to obtain renter's insurance
- A prohibition against separate Tenant/Lessor agreements

---

#### 4. Procedures.

Review the following steps when assigning a member to government leased quarters.

Step	Action
1	Notify members in writing of assignment to leased quarters; give location and check-in date and time.
2	Perform check-in inspection with required participants.  <u>Note:</u> Under no circumstances is assignment to quarters or issuance of keys allowed before conducting a check-in inspection.
3	Issue keys.
4	Provide tenant(s) with Tenant Occupancy Instructions and obtain signed receipt.
5	Notify member's servicing PERSRU within 48 hours to stop BAH effective on their check-in date.

**Slide #55**  
**Utility Usage**

#### **D. Monitoring Utility Usage**

##### 1. Responsibility.

- a. **LHO's and HRs.** You are responsible for monitoring leased housing occupants' utility usage and curb excessive use
- b. **Lessor.** The Lessor is responsible for monitoring utility consumption in accordance with Clause 5.f of the lease contract. However, the Coast Guard must also monitor utility consumption to curb abuse and conserve limited leased housing funds.

---

## **E. Monitoring Utility Usage (cont'd)**

### **2. Energy Conservation.**

Although the Coast Guard pays utility costs, members are responsible for energy conservation. Members whose previous occupancy of quarters was terminated due to energy abuse are no longer eligible for leased quarters in that same leasing area during the remainder of their PCS tour.

### **3. Paying utility Costs.**

The Coast Guard pays utility costs for leased housing units directly to Lessors as part of the negotiated rental amount. Members may not pay these costs themselves.

### **4. Utility payment Adjustment**

Leased Contract Clauses 5.f. and 5.g. allow utility payment adjustments. Requests must be in writing from the Lessor to the LHO with supporting documentation. Follow lease modification procedures to adjust utility payments.

### **5. Procedures.**

Review the following steps located on the next page to monitor utility usage.

## 5. Procedures. (cont')

Step	Action						
1	<b>Establish utility consumption levels based on knowledge and experience. Most utility companies will provide recommended cost information for various home sizes.</b>						
2	Periodically obtain utility cost information for leased housing units from servicing utility companies.						
3	Review utility cost information and identify units with excessive utility use.						
4	Write member notifying him or her of excessive utility consumption and warning of possible occupancy termination if abuse continues. <table border="1"> <thead> <tr> <th>IF excessive utility usage...</th><th>THEN...</th></tr> </thead> <tbody> <tr> <td>Ceases</td><td>Stop.</td></tr> <tr> <td>Continues</td><td>Continue to Step 5.</td></tr> </tbody> </table>	IF excessive utility usage...	THEN...	Ceases	Stop.	Continues	Continue to Step 5.
IF excessive utility usage...	THEN...						
Ceases	Stop.						
Continues	Continue to Step 5.						
5	<p>Notify the member in writing that they are being evicted from quarters.</p> <p><b>Note.</b> <i>At the AHO's discretion, before initiating occupancy termination, the LHO or HR may write a second notification letter warning the member of possible occupancy termination if abuse continues.</i></p>

## Chapter 8 – Termination Process

---

**3 Hours**

**Slide #57  
Terminating  
Occupancy**

### **A. Terminating Occupancy**

Terminate occupancy of leased quarters when the member requests, as soon as possible thereafter, or when other circumstances warrant. Terminating occupancy of a leased unit is done for many reasons, most often they are:

- PCS transfer
- Separation
- Eviction
- Member's convenience
- Untenable conditions

#### **1. Intent to Vacate.**

The member must give a written notice of intent to vacate leased quarters to the LHO or HR at least 45 days in advance. Except for emergencies or short-notice PCS orders, hold member responsible for meeting this requirement.

#### **2. Inspections.**

Perform pre-termination and check-out inspections in accordance with the Coast Guard Leased Housing Procedural Guide.

#### **3. Evictions.**

If a member does not comply with leased housing regulations, the LHO should send him or her a notice of housing complaint. If eviction becomes necessary, consultations and eviction notices must be documented.

---

## A. Terminating Occupancy (cont'd)

### 4. Voluntary Occupancy Termination.

When the member notifies the LHO or HR he or she voluntarily chooses to move out of leased housing, the LHO or HR should counsel member in writing on ineligibility for leased housing until reassignment to a new leasing area.

**Slide #58**

### 6. Government-Funded Local Moves.

Government-funded local moves are authorized when the Government directs a member to move, (e.g., evicted, lease contract terminates, mandatory assignment to Government-owned housing).

**Note 1:** *Contact the LHCO for additional guidance.*

**Note 2:** *Obtain approval for a local do-it-yourself (DITY) move from the Transportation Officer before the move.*

### 7. BAH Re-instatement.

The check-out inspection must be completed successfully before the member's BAH can be re-instated. On successfully completing the check-out inspection, the LHO or HR notifies the member's servicing PERSRU of occupancy termination.

### 8. Procedures.

Discuss the below steps to terminate occupancy of leased quarters:

Step	Procedure
1	Schedule pre-termination and check-out inspections after receiving member's termination notice.
2	Conduct pre-termination and check-out inspections.
3	Terminate assignment and receive keys from member(s) after successful completion of the check-out inspection.
4	Send PERSRU termination notice for BAH reinstatement within 48 hours.
5	Begin lease contract termination process if unit is no longer needed.

## **Slide #59 Terminating Lease Contract**

### **B. Terminating Lease Contracts**

#### **1. Responsibility.**

Promptly terminate lease contracts for housing units in these circumstances:

- there is no further requirement for the unit
- no prospective occupant is available within 10 days of vacancy (10 or fewer days is the normal, accepted time frame for unit to remain vacant)
- the Lessor fails to abide by contract terms
- the unit has become too expensive or no longer meets minimum adequacy standards

#### **2. Notice to Lessor.**

Give a Lessor at least 30 days' notice before canceling a lease to comply with contract Clause. If the Lessor waives this requirement in writing prepare the appropriate termination modification. All modifications are prepared in HMIS.

#### **3. Termination Modification.**

Terminating a lease contract is a modification only an LHCO can complete. Use a Modification of Contract, CG-5571B, for this change.

---

#### 4. Rescinding Termination Process.

If lease termination procedures have begun but the LHO or HR determines the leased unit is needed before the effective termination date, a lease termination may be rescinded if the Lessor so consents in writing. Discuss below information.

IF Lessor...	THEN...
Provides written consent	Immediately notify FINCEN by E-mail and prepare lease modification to rescind termination.  <b>Note:</b> Attach a copy of Lessor's written consent to the modification.
Does not consent in writing	The lease termination process continues and another leased unit must be located.

**Slide #60  
Damages**

### C. Damages

#### 1. Prevention.

Inspections minimize damages. Check for structural damage, monitor quarters' proper maintenance, ensure quarters are clean and adequate for occupancy, curb excessive utility consumption by identifying malfunctioning equipment or wasteful energy practices, and ensure both occupant and owner are aware of their responsibilities under the lease.

#### 2. Liability for Loss or Damage.

Abuse or negligence of government housing **will not be tolerated**. The Coast Guard requires members found responsible for damaging leased quarters to pay full restitution under 10 USC 2775 provisions, which give the Coast Guard authority to deduct from members' pay housing repair or replacement costs resulting from their abuse or negligence or housing unit cleaning costs necessitated upon termination of quarters.

---

## C. Damages (cont'd)

### 3. Determination of Liability.

The occupant or Coast Guard can be found liable for all, some, or none of the damage. The occupant is liable for damage to a leased housing unit if the damage was caused by his or her abuse or negligence, or by that of the occupant's family, guests, or pets. Neither the Coast Guard nor the occupant is liable for damage caused by normal wear and tear. If the LHCO cannot determine which occupant of an Unaccompanied Personnel Leased Housing (UPLH) unit is liable, the LHCO should hold all assigned occupants solely liable for damage in each of their bedrooms and jointly liable for damage to common areas.

**Slide #61**

### 4. Normal Wear and Tear:

Normal wear and tear is damage caused by reasonable use of the housing unit. Some examples are:

- Six-year old carpet has noticeable path leading to doorway of room
- Small nail holes in walls that can be filled and painted

### 5. Abuse.

Abuse is any intentional or unintentional act or failure to act a reasonable person would expect to result in damage to a housing unit. Some examples are:

- Having a pet when Lessor does not allow pets
- Holes in walls or doors caused by punching or kicking

### 6. Negligence:

Negligence is any intentional or unintentional act or failure to act a reasonable person would expect to result in damage to a housing unit. Some examples are:

- Notices a leak in the bathroom but fails to report it to a lessor resulting in extensive damage to the sub-flooring
- Occupant is aware of roof leakage but does not report it to the lessor resulting in extensive roof and attic repairs.

---

## C. Damages (cont'd)

### 7. Depreciation.

Offers made to Lessor for damaged items must be based on the items' depreciated value. The LHCO will compute the depreciated value of all damages using a depreciation schedule contained in guides such as the *Marshall and Swift Home Repair and Remodel Cost Guide*.

**Slide #62**  
**Damage Claims**

## D. Damage Claims

### 1. Authorization to Negotiate Claims.

The LHCO is the only person authorized to negotiate formal damage claim settlements with Lessors. The LHCO is a member of the AHO staff. The LHCO ultimately determines the cause of the damage and member's liability.

### 2. Receipt of Damage Claim From Lessor.

Lessors make formal damage claims in writing and submit them to the Leased Housing Contracting Officer (LHCO) in accordance with Residential Lease General Provisions. The damage claim must be submitted within sixty calendar days of lease termination or change of occupancy. Forward all claims to the LHCO immediately upon receipt.

### 3. Time Limit.

The LHCO is required to offer a settlement within 60 days of receiving a properly submitted, complete damage claim.

### 4. Investigating Damage Claims.

When an LHCO receives a valid claim, he or she requests the responsible Local Housing Authority (LHA) to assign an Investigating Officer (IO) to investigate it. The IO should complete the investigation within 15 days because the LHCO has a time limit within which to offer a settlement.

---

## D. Damage Claims (cont'd)

### 5. Settlement.

The LHCO will notify the Lessor by letter of a settlement offer, if the Lessor does not accept the settlement offer and submits additional documentation justifying the amount claimed, the LHCO reconsiders the settlement offer and sends the Lessor a final decision letter making a final offer.

### 6. Paying the Damage Claim.

On receiving the signed payment voucher from the Lessor, the AHO will send a payment Memorandum to the FINCEN for the settlement amount.

### 7. Recouping Money from the Member.

It is absolutely necessary to hold members accountable for the consequences of their actions. Members held wholly or partly liable for damages to leased housing units owe a debt to the U.S. Government they must fully repay. The LHCO will deal directly with the member.

**Handout #10 and 11.** Pass out to the students before continuing.

### 8. Flow Chart.

## Handout #1 - Definitions

**Administrative Cost Ceiling:** The monthly dollar limit set by Commandant (G-WPM-4) as the maximum amount that may be authorized by MLC to be expended on individual leased quarters during any month, including the cost of utilities. This is equal to 120 percent of the BAH-derived housing cost for a particular area. To exceed the Administrative Cost Ceiling, waivers must be submitted to Commandant (G-WPM-4) via the MLC.

**Area Housing Authority (AHA):** Integrated Support Commands or large Headquarters units designated by Commandant (G-WP) to manage the Leased Housing Program for all leasing areas under their cognizance.

**BAH-derived Housing Matrix:** This is the maximum annual cost ceiling which the AHO may expend for a lease (including utilities) within their area of responsibility. Use of the BAH derived Housing Matrix remains mandatory for both accompanied and unaccompanied members. Costs which may exceed the matrix must first be approved by MLC. When leases are retained or renewed, their cost may not exceed the matrix.

### Exemptions:

- **Blanket.** A waiver from leased housing acquisition, eligibility, or assignment policy that includes all leases or a specific type of lease in a specific geographic area.
- **Individual.** A waiver from leased housing acquisition, eligibility, or assignment policy that involves only one lease or member

**Family Leased Housing (FLH):** The Leased Housing Program that applies to members whose dependents accompany them to the new duty station.

**Involuntary Geographic Bachelor:** Permanent party personnel with dependents under PCS orders ashore, which are not entitled to dependents' travel and household goods' transportation to the new PDS, including personnel assigned unaccompanied tours.

**Leased Housing Contracting Officer (LHCO):** Contracting Officers authorized to sign Coast Guard Residential Lease contracts. This will be a member of the Area Housing Office Staff.

## Handout 1 – Definitions (cont'd)

---

**Leased Quarters:** Privately owned dwelling as a single house or part of a multiple-unit building leased by the Coast Guard for use as public quarters.

**Leasing Area:** A geographical area in which the Commandant has authorized the Leased Housing Program.

**Local Housing Authority (LHA):** The commanding officer of a unit that the Area Housing Authority has designated to manage the Leased Housing Program in a leasing area.

**Maximum Funding Level:** The total funds available to each AHA for leases throughout the fiscal year. The AHA will receive their annual budget from Commandant (G-WPM-4) through MLC.

**National Median Housing Cost (NMHC):** The median of all rental costs data collected nationwide by DOD for each pay grade. Separate national median housing costs are determined for each pay grade at with dependents and without dependents rate. Commandant (G-WPM-4) publishes the NMHC annually.

**Occupant:** The person(s) the Coast Guard assigns to Coast Guard-leased quarters who forfeits all government housing allowances.

**Rental Partnership Program:** An agreement between military base commanders and privately owned housing complexes to provide affordable, adequate community-based housing to military members. Depending on the agreement, security deposits, application fees, and credit checks usually are waived and rental costs reduced, generally at or below established BAH rates.

**Total Housing Allowance (THA):** The total of a member's housing allowance (BAH) plus out of pocket expenses the member is expected to absorb.

**Unaccompanied Personnel Leased Housing (UPLH):** The Leased Housing Program applicable to personnel assigned afloat and ashore who do not have dependents.

**Universal Eligibility Matrix:** Annual matrix derived by Commandant (G-WPM-4) which establishes eligibility for the leased housing program based on pay grade (with and without dependents) and bedroom requirements.

**Voluntary Geographic Bachelor:** Permanent party personnel with no co-located dependents assigned an accompanied tour and entitled to dependent travel and household goods transportation to PDS area. Also includes separated, members assigned overseas who return dependents early, and voluntary or involuntary separated members without a court-order agreement.

TO FURTHER IMPROVE THE QUALITY OF LIFE FOR SINGLE MEMBERS AFLOAT, SINGLE E4 PERSONNEL MAY NOW CHOOSE TO OCCUPY GOVERNMENT QUARTERS OR RECEIVE BAH FOR CIVILIAN QUARTERS ASHORE.

B. GOVERNMENT QUARTERS ARE RECOMMENDED AS THE HOUSING OPTION OF CHOICE FOR JUNIOR SINGLE PERSONNEL AFLOAT. GOVERNMENT QUARTERS MEET HIGH STANDARDS OF ADEQUACY, ARE PROVIDED WITHOUT RENTAL OR UTILITY COSTS TO THE MEMBERS, AND OFFER MUCH GREATER SECURITY OF PERSONAL PROPERTY THAN DO PRIVATELY-PROCURED CIVILIAN QUARTERS, ESPECIALLY FOR MEMBERS ASSIGNED TO WHECS, WMECS, AND POLAR WAGBS. FOR MEMBERS WHO OCCUPY UPLH, THE COAST GUARD HOUSING PROGRAM MANAGES RENT PAYMENTS AND LANDLORD RELATIONS. MEMBERS WHO ELECT TO LIVE IN CIVILIAN QUARTERS THEY PROCURE ON THEIR OWN MAY ENCOUNTER UNFORESEEN SITUATIONS UPON RETURN FROM EXTENDED DEPLOYMENTS.

5. POLICY.

A. EFFECTIVE 1 MARCH 2002, COMMANDING OFFICERS AND OFFICERS-IN-CHARGE MAY AUTHORIZE BAH (OR OHA IN LOCATIONS WHERE BAH IS NOT PAYABLE) AT THE WITHOUT-DEPENDENTS RATE (BAH-W/O OR OHA-W/O) FOR SINGLE E4 MEMBERS ASSIGNED TO CAREER SEA PAY ELIGIBLE VESSELS.

B. A WRITTEN RELEASE FROM MANDATORY ASSIGNMENT TO GOVERNMENT QUARTERS MUST BE OBTAINED FROM THE SERVICING LOCAL HOUSING AUTHORITY PRIOR TO INITIATION OF BAH.

C. SINGLE E4 MEMBERS WHO REQUEST TO RECEIVE BAH-W/O IN LIEU OF GOVERNMENT QUARTERS SHALL NOT NORMALLY BE ELIGIBLE FOR REASSIGNMENT TO GOVERNMENT QUARTERS FOR THE DURATION OF THEIR CURRENT AFLOAT TOUR. INDIVIDUAL EXEMPTIONS FOR REASSIGNMENT TO GOVERNMENT UPLH MUST BE REQUESTED FROM MLC(P) VIA MEMBERS COMMAND AND AREA HOUSING OFFICER. REASSIGNMENT TO UPH OR OTHER SERVICE HOUSING WILL BE MADE BY THE LOCAL HOUSING AUTHORITY BASED ON AVAILABILITY AND APPROVAL OF THE MEMBERS COMMANDING OFFICER/OFFICER-IN-CHARGE.

D. SINGLE E4 PERSONNEL WHO ARE AUTHORIZED BAH-W/O WHILE ASSIGNED ASHORE AND ARE SUBSEQUENTLY ASSIGNED TO SEA DUTY WITHIN THE SAME GEOGRAPHIC AREA WILL CONTINUE TO RECEIVE BAH-W/O IF THE MEMBER MAINTAINS CIVILIAN QUARTERS. UPON COMPLETION OF THEIR SEA DUTY ASSIGNMENT, SUCH MEMBERS WILL CONTINUE TO RECEIVE BAH IF REASSIGNED WITHIN THE SAME GEOGRAPHIC AREA.

E. BY LAW, BAH-W/O MAY NOT BE PAID TO SINGLE MEMBERS WHO OCCUPY GOVERNMENT QUARTERS. SINGLE PERSONNEL OF ANY PAY GRADE WHO ARE RECEIVING BAH-W/O WHILE ASSIGNED AFLOAT ARE PROHIBITED FROM OCCUPYING THEIR ASSIGNED SHIPBOARD QUARTERS OVERNIGHT WHILE THEIR VESSEL IS IN HOME PORT EXCEPT WHEN REQUIRED IN THE PERFORMANCE OF DUTY, SUCH AS INPORT DUTY DAYS OR UNDERWAY PERIODS. SINGLE PERSONNEL FOUND TO BE OCCUPYING ANY GOVERNMENT QUARTERS WHILE IN RECEIPT OF BAH-W/O ARE SUBJECT TO DISCIPLINARY ACTION UNDER THE UCMJ.

F. SINGLE ENLISTED MEMBERS IN PAY GRADE E4 AND ABOVE WHO ARE ASSIGNED AFLOAT AND IN RECEIPT OF BAH-W/O WHO EXPERIENCE A REDUCTION IN PAY GRADE TO E3 OR BELOW LOSE THEIR ENTITLEMENT TO THIS PAYMENT AS OF THE DATE THE REDUCTION IN PAY GRADE BECOMES EFFECTIVE. SUCH MEMBERS ARE AUTHORIZED TO RETURN TO THEIR SHIPBOARD QUARTERS (OR GOVERNMENT QUARTERS ASHORE IF AN EXCEPTION PER SUBPARAGRAPH 5.C ABOVE IS APPROVED).

PERSONNEL WHO ELECT TO VACATE GOVERNMENT QUARTERS UNDER THESE TERMS ARE NOT ENTITLED TO DLA OR GOVERNMENT-FUNDED HOUSEHOLD GOODS MOVE.

H. VACANCIES IN GOVERNMENT QUARTERS ASHORE DUE TO SINGLE E4 BAH-W/O ELECTIONS WILL BE FILLED BY SINGLE SHIPBOARD E3 AND E2 PERSONNEL IN ASSIGNMENT PRIORITY PER SEC. 9-C-3 OF REF B. EFFECTIVE 1 MARCH 2002, TABLE 9-1 OF REF B. (AND ALL SUBSEQUENT MODIFICATIONS THERETO) MAY BE EXCEEDED IN ORDER TO FILL VACANCIES. HOUSING ASSIGNMENT WILL BE MADE BY THE LOCAL HOUSING AUTHORITY BASED ON AVAILABILITY AND COMMANDING OFFICER/OFFICER-IN-CHARGE APPROVAL.

6. ACTION.

A. BEFORE AUTHORIZING BAH-W/O TO SINGLE MEMBERS IN PAY GRADES E4, COMMANDING OFFICERS/OFFICER-IN-CHARGE OF CUTTERS SHALL COUNSEL MEMBERS ON THE ADVANTAGES OF GOVERNMENT QUARTERS.

## Handout #6 – Perceived Disadvantages and Counter-Arguments

---

Perceived Disadvantage	Counter-argument
<b>Coast Guard doesn't pay security deposit.</b>	Not needed because the U.S. Government is self-insured and pays all damages beyond normal wear and tear.
<b>Payment is 30 days in arrears.</b>	By law, the Federal Government can pay for services only after they have been rendered. Small sacrifice for so many advantages.
<b>Five-year lease sticks Lessor with same rent.</b>	Rent is re-negotiated annually.
<b>Lessors can't give 30-day termination notice like the Government.</b>	Due to the nature of Coast Guard service, we must relocate members more often than we would like. The 30-day notice allows the Lessor to put the property back on the market. The Coast Guard makes every effort to place another eligible family in the leased unit.
<b>Lessor pays utilities.</b>	Military compensation laws do not allow members in leased housing units to receive a portion of their housing allowance for utility costs. Additionally, utility costs may be renegotiated and adjusted and one-time utility reimbursements may be authorized so Lessor does not pay out-of-pocket costs.
<b>No separate tenant-landlord agreements allowed.</b>	The Coast Guard lease, the General Provisions, and the Condition Inspection Report forms are the only binding agreements between the Coast Guard and the Lessor.
<b>Lessors can't pick tenants.</b>	The Coast Guard will place any members in leased units, if eligible. Lease contract section 2.c. and the General Provisions specifically state the Lessor will not discriminate against any Coast Guard member.
<b>Lessor pays for smoke detectors.</b>	The Coast Guard is required to lease only units outfitted with hard-wired smoke detectors with battery back-up. They are inexpensive to purchase and install, may result in reduced insurance premiums, and may be tax deductible. They protect the unit and occupants at a very low cost.
<b>Rent paid by Direct Deposit.</b>	The Coast Guard pays by Direct Deposit so Lessor doesn't wait for check to arrive each month. Furthermore, money generally is received more efficiently; if not received for any reason, can promptly be traced and replaced, if necessary.
